# Philomatheon

Someone who serves as a member of a philanthropic or volunteer organization for the good of the community.

“Philo,” short for Philomatheon Club, is one of the oldest service clubs in Loveland. Founded in 1918 by high school students, the club was organized as a way for young women to come together in friendship and service to the community. Today, 104 years later, these goals remain. Beginning as a small group of 10, the club has grown to over a hundred members, in groups of Active, Honorary, or Emeritus members.
