

Committees RR

Raise Right

This four-member committee can do their work over the phone and online, researching www.RaiseRight.com and choosing the retailers in our area of interest to our membership. The committee prints a list of suggested local retailers and distributes the forms in the spring & fall. Members and friends choose retailers, value of cards and the quantity they prefer, and pay by check. A member of this committee places the order online with Raise Right (in Michigan) and receives the bulk order. Members of this committee are responsible to collect the orders, place the online order, check the received cards for accuracy, and see that the cards are delivered to members. Rebate income goes to the Philo General Fund, which can include ATV and IEC committees.
