

## *Philo honors presidents*

Old memories were shared and friendships renewed during a recent Philo Club meeting. The local women's service organization, formed in 1918, honored 26 past presidents, above, with a special presentation called "Encores." The program, featured encore performances from past summer musicals and two musical selections performed by Gloria Grotzinger, right, 1981 Philo president. Jean Hartwell accompanied the performers with the help of Myrna McIntosh, left, as page turner.
