October is here and we are 75% through 2017! Fall is my favorite time of year, but as I am writing this, it has been cloudy and drizzling rain for several days. I hope October is back to the golden leaves and blue sky that is the norm for Colorado autumns!

As I said, we are three quarters through the year, and our big 100-year Anniversary is coming up pretty quickly. I know Kathy Loken and her committee has been working to get lots of events in place to celebrate, both by our members and the community that we have served so diligently over the past century. If you are interested in being involved in one of the sub committees for an event, please let Kathy know. The whole membership should be involved in some part of the celebration of Philo's 100-year milestone.

Dine Out With Heart is in full swing by now and we hope it is as successful as all the efforts put in by the DOWH committee deserve. I know they have worked together to make it a great event. We can all support the cause by going to one of the participating restaurants to dine out. It would be fun to get a group together and go several times during the event. We have to eat, anyway, so might as well focus on this great endeavor!

Over the years, we have become a little lax in following some of our guidelines that were put in place. The board has addressed some of these and will continue to work on what is best to keep the membership and our philanthropic efforts vibrant and beneficial. If you have some input that you want considered, please email any board member or me. We will have those emails to discuss at the board meeting prior to the regular meeting.

I look forward to more months of good friendships, Philo continuing to be a contributor to the needs of the community, and making a difference in our world.

Have a wonderful fall! (Christmas is coming!)

President, 2017-2018

INTEGRATED EARLY CHILDHOOD

The Early Childhood Committee spent late July and early August purchasing items for the Thompson School District Early Childhood Program.

Some of the items included crayons, paints, pencils, erasers and fun Dr. Seuss bags.

We compiled the items and delivered them August 17th to very thankful teachers.

Thank you to everyone who participated including some very helpful sons of members!

Philo 100 Year Anniversary

PHILO PICNIC

Thank you to Sue Lussenhop, chairwoman, Jeanne and Mark Findley and Rita and Ron Harden for coordinating the Philo family picnic after the Heart unveiling. The wind died down, the food was fantastic and getting to know family members, special guests, spouses and children made the event one of the memorable highlights of this historic day.

Members will be active behind the scenes for several months as the Anniversary Committee ramps up for 2018 special events. Save the dates:

January 9, 2018	Philo History Month
May 8, 2018	Spring Dinner Extravaganza
September 2018	Pastels on 5th
October 20, 2018	Community Event
	Ranch/proceeds to benefit Alternatives to Violence

Event dates to be determined:

Community Canned Food Drive
Traveling Exhibit

There is an opportunity for every member to be part of making Philo history. Think big, stay positive, and be rewarded for the extra effort to make Loveland/Berthoud thriving communities.

Part of a note from Joyce Caufman, emeritus:

Thank you for your work to have a heart in Loveland representing Philo! It's beautiful and is well-placed. Connection? I loved seeing some other "old timers" and to have the opportunity to catch up with them. Philo continues to move forward in meeting the needs in the community. One of the things I like and respect most of Philo besides its amazing members is the fact that they move with the culture to meet the needs in our community.

It is rewarding to know the honorary and emeritus members are aware of who we are in the 21st century.

These ladies are the ones who started the Holiday Mart at the McMillan Building, sponsored the Alternatives to Violence apartment, the Home Tour, and Santa Shop. Their dedication, hard work and inspiration are the motivation behind what Philo is today and will be in the future.

Philo Anniversary Committee, Heart Unveiling

The Philo Heart was unveiled with gasps of joy and even some tears by guests, Philo honorary, emeritus and active members on September 10. Special thanks to Diane Meuret and Mary Voggesser who spearheaded this project for the Anniversary Committee, Trish Murtha, artist extraordinaire, and FirstBank for graciously providing the perfect location. Anne Anderson unveiled the heart and Christine Reynolds, granddaughter of Emma Van Sant was special guest. Heartfelt thanks to the contributors to the mailing appeal that made this project possible.

SHOPPING EXTRAVAGANZA

Our Extravaganza sales are off to a good start!!!! We only need to purchase 15 tickets or more to get into the raffle and that's where we make the most money.

This is such a fun day for all! The Shopping Extravaganza on Sat., Oct.21st at the Outlet Mall offers a goodie bag, store discounts and coupons, lunch, dessert, manicures, winetasting--all for only \$20 and we get to keep \$10 from each ticket sold. You can also buy raffle tickets for \$1 each the day of the sale. \$15,000 worth of gift cards and prizes will be given out during the day.

You're sure to see friends from all over Loveland.

As part of this fundraiser, we are required to have 3 members each work a 2-3hr shift. I enjoy this almost as much as the shopping. Betty Brammer and I just need one more member to commit. Call me by Oct.5th if you are willing to help out.

See you at the October Philo meeting with checkbooks and address labels in hand! The checks are to be made out to The Outlets at Loveland.

If you don't plan to go, but would still like to participate in this fundraiser, you can just give me a check made out to Philo.

Happy Shopping!
