

## FROM THE PRESIDENT

Happy Spring! Although, it seems like we've been enjoying the spring season for quite some time. Spring is a busy time for our organization. We have some of our major projects in the works. The golf committee is in full swing - (get it 😊 ,) the scholarship committee is diligently working through applications, the spring social committee is preparing final details for our annual dinner, and the 100 year anniversary committee is getting ready for a year of celebration. On top of that we have all the other functions that keep us active in the community.

WOW, thank you all for your service and dedication.

We had the privilege to enjoy a presentation from Officer Dave Sloat, the crime prevention officer from the Loveland Police Department at our March meeting. I hope you all learned some important tips that can help you keep safe in your day-to-day activities. Thank you to Pam Pellizzari for bringing Dave to us.

Great news- we have had an honorary member step forward to run for the position of vice president. This will fill the slate of officers that we will vote on and install at our Spring Dinner.

We also have several potential new members. I'm looking forward to bringing these lovely ladies into our organization.

Our next meeting is April 11. I look forward to seeing all of your smiling faces there.

Respectfully,

Cindy Kurtz, Philo President 2016-2017

## SUNSHINE COMMITTEE

The Sunshine Committee would like to thank the membership for your generosity in providing meals for our various sisters who have had surgeries and/or health problems during this past year. When called, the team captains went into action immediately to arrange meals, even from out of state. You are all awesome!!!!

During this past month we provided a few more meals for Barb Giesey, meals for Judy Grommon after her knee surgery and a thinking of you card to Mary Ann Lane after her knee surgery. Mary Ann declined meals. We also sent a get well card to Kathy Loken following her surgery.

Please call if you or another member could use help from our team.

Happy Spring!

The Sunshine Committee  
Kay Robinson-Chairwoman, Betty Brammer-Co-chairwoman

## HISTORIAN COMMITTEE: FROM THE SCRAPBOOKS

Excerpt from a *Reporter-Herald* article in the fall of 1971:

### **Philo Club Makes Plans for Vo-Tech Scholarship**

“The education committee of the Philomatheon Club has announced that a vocational-technical scholarship will be awarded to a local individual who is interested in furthering his or her training in a vocational or technical field.”

“The scholarship will be made possible through funds in the philanthropy budget. These funds are raised annually by the spring Philo style show.”

“Applicants must have attended, or be presently attending, Loveland High School, and be between the ages of 18 and 21.”

Linda Stangel, Chairwomen, Philo Historian Committee
