

Dine Out With Heart

The DOWH committee will present to the board a proposal for allocation of the fundraiser's profits on February 3rd. If approved by the board, the proposal will be presented to and voted on by the general membership February 10th. At the general meeting the board will first conduct all the regular business and then allow a short intermission for members to leave if needed. Afterwards, Dine Out With Heart will hand out a written description of the proposal and give a brief explanation. At that point members will be given time for Q and A and then a vote will be tallied. We are hoping that as many members as possible can stay and celebrate in our vote and successful first year of Dine Out With Heart.

If you cannot attend the meeting but would like information on the proposed allocations contact Dona Menzies [dmenzies123@gmail.com]

Committee Sign-Ups

Philo is ready to take another GIANT STEP. We are going to have committee sign-ups conducted on line rather than on sign-up sheets at general meetings.

MARK YOUR CALENDAR: Philo committee sign-ups are being scheduled for two weeks in March. Sign-ups will be starting Saturday, March 14th and run through Sunday, March 29th. Sign-ups will be conducted on Philo's website. However, if you do not have computer access you may contact either Trudy or Peggy during the sign-up period to sign up for a committee.

More information regarding the sign-up procedure will be covered in the March Newsletter and will be discussed at the March Philo general meeting on March 10th.

Message from the President

"The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart." – Helen Keller

The days and months are flying by so if you have someone you want to sponsor for membership you must submit their names to the vice-president, Nita Star by April 1. The application is located on the website. At our April meeting the new members names will be red and the final vote taken so they can become a member at the Spring Social in May.

There is still time to step forward to fill the vice-president and recording secretary positions on the board. If you have any questions about these positions please contact me or any former president.

Each one of us became Philo members to further or philanthropic endeavors. Coming soon you have the opportunity to sign up for the committee that will match your passion. This could be the canned food drive, Christmas baskets, scholarships/golf tournament, early childhood development, Dine Out With Heart, blood drives or fall shopping fundraiser. These all give us opportunities to help people while working together to improve the lives of many.

Now is the time to step forward to provide a gift basket or to obtain sponsorship for the golf tournament. It take everyone to make this event successful!

ALL COMMITTEE CHAIRWOMEN: Please let me know a few days before our regular meeting if you want to be listed on the agenda.

"Let us always meet each other with a smile, for a smile is the beginning of love." Mother Theresa

I look forward to seeing all of you at the next general meeting, Tuesday February 10th at 7:00 p.m. The hall will be open early for any committee that wants to meet before the monthly meeting.

Best Regards

Judy Grommon, Philo president 2014-2015

Philo Loves Loveland

Watch for the “Philo Loves Loveland” Valentine heart! We requested that it be placed on Eisenhower and south of the lake, but that is a prime area that everyone requests and the hearts are posted by first come, first served. This is a good way to get name recognition and tell the community we really do **Love Loveland!**
