

## Duck Race Tickets!

THANKS TO ALL THE MEMBERS THAT HAVE RETURNED THEIR TICKETS AND MONEY!!!!

Loveland Rotary Club uses their proceeds to purchase hardcover dictionaries for each third grader in the Thompson School District. Each \$5.00 ticket sold by Philo members gives us an amazing \$3.00 in profit to be used for our projects.

All members have either picked up their tickets or received them in the mail. If you haven't sent the ticket stubs and money back yet, please bring all sold ticket money with ticket stubs or any unsold tickets to the Spring Dinner on May 11th or mail them in the return envelope to Shirley Lampshire, 850 Eagle Ridge Ct., Loveland 80537. Make checks out to Philo. Additional tickets are available, contact Shirley Lampshire at 970-613-9911 if you would like more tickets.

## Philo Polos, Anyone?

If you were at the garage sale, you saw some of the members wearing the Philo polo shirts and how sharp ladies looked in them. Please contact Pam Clifford, by Tuesday, June 15th if you're interested in having a polo shirt available to wear in the Corn Roast Parade. ## Message from the President

I can hardly believe this will be my last message as president of Philo. The year has passed so quickly. First and foremost I want to say "thank you" all for the opportunity to serve in the capacity as president for this wonderful organization.

As I reflect on this past year, a feeling of accomplishment comes over me. We did experience our share of obstacles, our first being a change of venue. Having been thrown a curve ball just as our year was about to begin we were forced to find a new location quickly. While Crossroads Church may not have turned out to be the ideal location for our meeting, I do appreciate their willingness to let us use their space, especially on such short notice. I do anticipate a change for our meetings next year.

We also experienced several vacancies in the chairperson positions of many of our committees.

But, as always, the Philomatheons stepped up and we had a successful year. As a side note, we netted approximately \$2300.00 at the garage sale. That's a lot of money one quarter at a time! Beyond the money, we help so many people with that fundraiser.

I'm really excited about the new social events that Shannon Voggesser will be planning throughout the year. I think that will fill the void in the social aspect of our organization that so many of you said you miss.

I am ready to pass the torch to Marthann Dahlen. Even though I will still be the historian next year I'm ready to get back in the trenches, roll my sleeves up and get back to work again.

Respectfully Submitted,  
*Cindy Kurtz*

## Info for Members!

Thank you for sharing the responsibility of collecting prizes for the golf tournament! In order for us to go into the community without asking the same businesses repeatedly, we have come up with a system. On the Philo website, [philoloveland.org](http://philoloveland.org) there will be a list that we will update every two weeks or so from now until the tournament. To access the list of donations and who they were donated by, you will go to the "members only" page. If you don't have the access code, you may contact Trudy Eckhart at 667-1455 or [trudy\\_eckhardt@msn.com](mailto:trudy_eckhardt@msn.com). Once on the "members only" page, click on "committees", then "golf tournament", then "prizes". There you will find the list. Once you have checked the list and you find that the business you had in mind is not listed, contact Denise Olson at 461-2692 or [neesers@yahoo.com](mailto:neesers@yahoo.com). Denise can tell you what has been added to the list since the last update on the website. In addition, please let Denise or Heather know if you contact a business that does

not want to contribute so we can keep the web site current. If we all follow this procedure we can be sure not to ask the same business multiple times. We are doing this golf

tournament to support women in our community and we don't want to annoy and frustrate the many generous businesses in the process.

Thank you ALL so much! If you have suggestions or ideas regarding prize collection, please let us know!

Sincerely,  
Denise Olson and Heather Morrison  
Golf Tournament Prizes Committee

## Blood Drive

We want to take some time to get the word out about the many changes we have undergone in recent years with our blood drive. As I work the blood drive each time, I am blessed to work with

many wonderful women who have shared with me the many duties that the Philo women used to be responsible for, including checking in each donor! In recent years, our duties have been significantly reduced to the point that we now primarily serve food and drinks and offer words of thanks to our donors. During the transition, there were times when there were still the same number of women working at

the drive with much less to do. I believe that has led members to think that the need to work the drive is not as important. That has led to more changes in recent years. We have taken note of the actual need at the drive and

have cut it down to the bare bones! We only have 3 workers at the beginning and end of the day when we need more help with set up and clean up and only 2 workers in the afternoon shift. We have also been adjusting the amount of food that needs to be brought so that we have just enough for our donors and a little left over for the Bonfils staff to enjoy on their way home after working a long shift.

Why are we taking up so much of your time explaining these changes? Because we want to be sure that everyone understands the value of their time in volunteering for the blood drive. Plus, this is where I have had the opportunity to get to know so many of the fine ladies of Philo as there is time to socialize while you are setting up trays of food and serving drinks! And it is very rewarding to see the same donors each drive and receive their kind words about our service to this blood drive. So if you haven't worked the blood drive in recent years, sign up now and get to know one another. The shifts are short and are really fun, but if time is tight we always need wonderful homemade goodies, cheese, and fruit donated as well. We still have a few slots remaining for June, as well as numerous slots for August so please call me to get your opportunity to serve and socialize with the wonderful ladies of Philo! Thanks!

# ALTERNATIVES TO VIOLENCE COMMITTEE WRAP-UP

One of the wonderful things Philo does is to sponsor an apartment in Alternatives to Violence's (ATV) transitional housing. This year our tenant is

a mom with two small children. Our \$1,000 budget went to furnishing the apartment with drapes and flooring, providing seasonal gift baskets for the family and helping Lynda Nielsen - the

new ATV director - with stationery funds to launch a new capital campaign for additional housing. We also extended invitations to the staff and ATV families to shop at our garage sale for free. Several attended and were very grateful.

Thank you to my committee who served as the wise stewards of the funds you worked hard to raise last year. To Pam Pellizzari, whose passion for ATV led her to become an advocate and also a magnet for others beyond Philo who have rallied to supply equipment, repair services, and other needs for ATV. Pam will be taking over as chairwoman next year. We are in good hands!

Joyce Krantz, Alternatives to Violence Committee Chairwoman
