WEB Connection

It is with great pleasure that I introduce a new member to the Philo web team. Peggy Pellizzari has graciously and enthusiastically volunteered to join the Web Committee. She is learning the ropes of what maintaining the website is all about. She has just completed three days of training and will be working jointly with me to provide the necessary skills and effort needed to maintain and administer Philo's website as well as conducting mass mailings to the membership, keeping the yearbook information current and scrubbing the newsletter for the home page.

Thank you, Peggy! I am looking forward to working with you.

Integrated Early Childhood

(Instead of an article I thought I would include this thank you and a photo from the Literacy Fair - Stevie Benkendorf, Chairwoman, Integrated Early Childhood Committee)

Dear Philo,

This year's literacy fair was a huge hit and Philo was a huge piece of that success! We hosted over 197 preschoolers, which means we had over 650 people at our event!! Each family was pleased with the wonderful "I Love Reading" backpack and bracelet that you all provided.

Preschoolers are now bringing their backpacks to school with them every day!

It is so wonderful to work with a group of dedicated ladies that share the same passion for early education and reading that our program values.

Thank you for all that you do for our teachers, classroom, program, and thus our children and families. It is only because of people like you that we can do the work that we do.

We appreciate you!
