

Early Childhood

Ladies, would you like to give a gift of a book to a child this Christmas? The Early Childhood Committee will be taking up a collection of NEW picture books for ages 3-5 years. The books will be given to the Early Childhood classes with the Thompson School District. The books will then be distributed to families in need. There are families in the program whose parents are mainly Spanish speaking/reading. We encourage those of you who would like to participate to purchase books that are in English/Spanish. Barnes and Nobel has a supply of these books and they can also be ordered through Amazon.com.

A basket will be set out at the November meeting, and then again at our Christmas Party for the books. A book is one of the greatest gifts one can give a child!

Thank you for your gifts.

Message from the President

November is upon us! Time to remember all the things we are thankful for. I just need to say that this organization and membership make really incredible things happen, for both the members as well as their community. I am thankful for Philo and the dedication to serving others. I am thankful that each of you give of yourselves for others.

Although I was unable to attend I did get feedback that the Shopping Extravaganza was a lot of fun and a great success. Thanks to Judy and the committee for your hard work in putting this together again this year.

We have not completely finalized the location of the Christmas party, but please watch for the invitation with the location. We would like you to bring books again this year for the Integrated Early Childhood Committee. They truly appreciate all that we help them with.

The canned food drive is coming up, so please don't forget to get signed up for your shifts! This is my very favorite activity of the year. Fridays at the church with the kids is such a great experience.

A blood drive is also coming up. Please let Florence know if you can work a shift or bring snacks. Please remember we are still in need of donors.

I look forward to seeing you all at the November meeting. We will have a guest speaker this month. Matt Swaffer, from the Safe House committee wanted to come to the meeting to discuss what's going on with their project.

Respectfully,
Heather Morrison, Philo President
