MESSAGE FROM THE PRESIDENT

It is such a joy to hear people in our community talking about the things we do as Philo that improve the lives of people. It is always encouraging to know that the work we do is impacting people in such a positive way.

First, I was recently at a reception and met some of the teachers from the Early Childhood Center. Without even realizing I was in Philo they mentioned how wonderful the bags we provided for the families were. They were so appreciative and thankful for this donation.

Another time I was at a school function and someone who was related to one of our scholarship recipients talked about how great Philo was in supporting students. Her relative was in a more non-traditional field and finding support for further studies was not easy. She was so grateful we were able to help.

Finally, I have heard many supportive and considerate comments about Philo's Dine Out With Heart initiative. People who know about similar programs in neighboring communities were so happy we finally have something like this here and were happy to be able to support the program in Loveland.

It is reassuring to hear these comments. I hope you all are glad you are a part of an organization that is appreciated in our community. I look forward to seeing all of you at our general meeting, Tuesday, October 13 at 7:00 pm. We will not be having our new member skit this Tuesday. We have bumped that fun activity to the November meeting.

Best Regards
Nita Starr

The Yearbook Staff would like to apologize for the fact that the Membership Directory in the 2015-2016 yearbook is not entirely in alphabetical order. When changing to two columns per page to cut printing costs we had to add alternate phone numbers as they were left out when formatting to the two column format. We did not notice that the result of adding the alternate phone numbers caused sections in the directory to be shifted, making some sections out of alphabetical order. So if you can't find your name just look on the previous page or following page from where it should appear. We are so sorry for any inconvenience this may cause you. We would reprint the Membership Directory, however this would greatly add to this year's printing cost. We hope to rectify this problem for next year's yearbook.

Remember that the Membership Directory on the members' Only page is always current and in alphabetical order.
